Do you have a no-longer-needed School Uniform ?

Would you like to
donate it to help
another student ?

Following a very successful appeal for
unneeded school uniforms in 2014, the
Oldcastle Community Resource Group
is again looking for used school garments.

We will accept all items as long as they are
clean and can be reused. The items are then
sold at minimal cost to cover expenses.
Uniforms from all schools are welcome.

If you have an item you would like to donate,
please drop it in to our office in Cogan Street
or phone / email us for more details.

If you would like your local
event, activity or notice to
appear in the **July Issue** of the
OCRG Events Newsletter then
please forward the details to
us by 1 pm on the 30th of June.

Who are the Oldcastle Community Resource Group?

The Oldcastle Community Resource Group began as an EU funded project called NETBOX which was designed to create a website to be used as a place to share information within our community freely.

This project finished in 2014 but with the support of Meath Partnership it has been taken over by a group of volunteers from the community. It is now known as the Oldcastle Community Resource Group – OCRG.

The OCRG community volunteers give a few hours each week to help in the office, run classes, liaise with the groups in the town to find out what's going on, update the website, suggest ideas and ways to help our community and many other things.

Our volunteers come from all areas of the community and are of all ages, skills and interests.

The OCRG shares information on clubs, local businesses, organisations, artists & performers, and events in our community.

Our Aims are:

- To promote a sense of community in Oldcastle
- Be a place where people can find out what's going on in the local area
- Provide a focus for the community to pull together
- Provide people with the opportunity to participate within their community
- Be a forum for discussion and debate about matters that affect Oldcastle and surrounding areas.

In addition:

- We provide a computer with free wi-fi and a low-cost printing service for our community
- We run a website called [OCRG.wordpress.com](http://ocrg.wordpress.com)
- We help raise funds for good causes. Last year we hosted a HB Ice Cream Funday to raise funds for Down Syndrome Ireland
- We act as a facility for small groups requiring somewhere to hold meetings
- We offer information and a friendly welcome to newcomers to the town
- We hold classes in Art, Crochet and occasionally host courses in things like Basic Computer Skills
- We have also helped Castle Arts to become established. This group consists of all local artists who make, display and sell their works locally. Some of the members of this group offer art classes in the Cogan street office but can be available to groups on request. They are also happy to take commissions for works.

Get Involved

Do you have a skill or an interest you'd like to share? We want our community to come together on projects and use our facility to share information on clubs, organisations and local businesses.

This will be a huge benefit within our community and together we can achieve wonderful things. If you any ideas, talents or facilities which might help our community to be a better, closer happier and healthier place, then just let us know.

You can drop in to see us at our Cogan Street office, get the latest OCRG news on our website, or check us out on Facebook.

Don't forget, the OCRG office now stays open until 6.00 pm on Tuesdays and Wednesdays.

[The next edition of the OCRG Events Newsletter will come out on Wednesday, 1st of July](#)

This Newsletter has been produced by the Oldcastle Community Resource Group based in Cogan Street. If you would like to know more about the OCRG or you have an event you would like us to include in our Newsletter, please visit our website at www.ocrg.wordpress.com. You can also find us on Facebook or email us at oldcastlecrg@gmail.com. Alternatively, you can phone the office on 087 712 6377 any weekday til 4pm.
